

**BALTEC Inc.**

## Cable Package Hanging Strap LS10BH

### Uses:

- To hang welding cables from balancers
- Automation cable management
- Plant cable and hose management

### Applications :

- Robot Systems
- Automated Welding Systems
- Material Handling
- Cutting Systems
- Any cable or hose management

### How it works:

- Improve cable management in seconds
- Leather strap prevents any cable scuffing
- Flame retardant
- Easy to reposition
- Re-usable

### Installation

- Simple and installed in seconds
- Robotic systems
- Boom constructions
- Sub Arc Systems
- Cable drag systems
- Cutting Systems
- Material Handling
