## Modular Electronic Lockers

### CribMaster ModuLock

The CribMaster ModuLock lockers have all the benefits of our other locker systems with the added flexibility of door sizes and configurations. Similar to the ToolCubes, our modular lockers simply connect to each other to create an expandable bay of lockers to dispense whatever items you require. With these modular lockers, adding to your configuration is as simple as plugging in a phone cable to expand your control.

### ModuLock Functions, Features, and Benefits:

- Store large items
- Store returnable items
- Return used or durable Items
- Return items requiring rework
- Manage serialized items and gauges
- Track tool usage by cost center
- Benefit from secure point-of-use distribution
- Handle integrated supply inventory
- Handle consignment/non-consignment
- Flexible security/product access control
- Works with existing employee badges
- Touchscreen interface
- Barcode scanners
